PARIS-BREST-PARIS 2007

SIGNPOSTING – YOUR PROGRESS – INFORMATION

SIGNPOSTING :

The PARIS-BREST-PARIS is completely signposted by reflecting arrows which can be seen at night

Arrows :

- OUTWARD JOURNEY : yellow background , main part of arrow pink with white tip.
- RETURN JOURNEY : orange background , main part of arrow blue with white tip.

To avoid taking the wrong direction, a ‘mistake arrow’ is sometimes placed along the route, 50 to 100 metres after a crossroad or roundabout.

Mistake arrow :

- OUTWARD AND RETURN JOURNEYS : green background with red ‘Saint Andrew’ (X) cross.

Even with this guidance, look at your route carefully, especially at night when powerful lighting in perfect working order (8 to 10 metre beam), is essential to light up the arrows.

YOUR PROGRESS :

So that you can let your family/friends know how you are progressing on the PARIS-BREST-PARIS Randonneur, several means of information transmission are available.

The different means of following your progress :
